MARRIAGE PREPARATION

We are honored that you have selected The Cathedral of St. Mary for your wedding. May The Lord bless you along the path to Holy Matrimony.

PLEASE NOTE that all who desire to be married at The Cathedral follow [the Fully Engaged Marriage preparation program](#) as mandated by the Archbishop. Fully Engaged is designed to help you to live the Sacrament of Matrimony and includes Sunday Mass at St. Mary's, the Transformed by Love two-day retreat experience, Natural Family Planning courses, and regular meetings with the priest/deacon preparing you for marriage and with the mentor couple assigned to accompany you. Fully Engaged is understood to be a nine-month journey. Marriage Preparation at The Cathedral is taken very seriously because your Marriage deserves nothing less than the best. A wedding is an hour; a marriage is a lifetime. Please put more energy and time into your marriage preparation than your wedding plans. *A wedding is an hour; a marriage is a lifetime.*

1. HOLY MASS

- a. First and foremost, if you are coming to the Church to be married then you should actually be going to Church. Regular and faithful participation at Holy Mass is a fundamental part of our life with Christ.
- b. All those who desire to be married here at The Cathedral of St. Mary are expected to attend Holy Mass here EVERY Sunday and the 10am Mass on the first Sunday of each month followed by a Mentor Couple Gathering. Unless you can demonstrate that you are an active and participating parishioner in another parish of the Archdiocese you will be expected to attend Mass at St. Mary's EVERY Sunday of your marriage preparation.

2. REGULAR MEETINGS WITH PRIEST OR DEACON PREPARING YOU FOR MARRIAGE

- a. The priest or deacon preparing you for marriage will schedule at least three meetings with you throughout the preparation period.

3. TRANSFORMED IN LOVE

a. Both parties must attend together the two-day *Transformed in Love* retreat experience (or the Spanish retreat of *Camino del Matrimonio*), regardless of whether one or both are Catholic. No couple will be permitted to marry at St. Mary's Cathedral until the completion certificate is presented to the priest or deacon. An application with pertinent information regarding dates and locations for the appropriate weekend may be obtained online on the Archdiocese of Miami Events page under the "Marriage Preparation" tab. For registration, fees and more information please visit:

https://www.miamiarch.org/CatholicDiocese.php?op=Events_Marriage+Preparation

Please include this in your wedding budget.

b. Couples being prepared outside of the Archdiocese of Miami must complete the equivalent program in their own diocese.

4. FULLY ENGAGED

a. Soon after your initial meeting with the priest or deacon preparing you for marriage you will be contacted by a member (mentor couple) of our Marriage and Family Ministry Team for the Fully Engaged on-line instrument. Please register with the password that you will be given, pay the fee and complete the questionnaire. You will be invited to meet with the mentor couple up to four times throughout the marriage preparation. These meetings will take place in the mentor couples' home and will usually include dinner with them and their family. The hope is that they will accompany you not only through the marriage preparation but will become true friends.

5. NATURAL FAMILY PLANNING (NFP)

a. These classes are taken over a four-month period of time. To find out the class schedule and locations, please speak with the priest or deacon preparing you for marriage. This is one of the MOST important things that you will do for each other during this preparation period and perhaps the greatest gift you will give to each other in your married life.

6. MARRIAGE IS A SACRAMENT

a. Before you decide to marry in the Catholic Church, be sure that you understand and are committed to live faithfully your Catholic faith as a couple. That means turning your life totally to God through Jesus Christ, by the power of the Holy Spirit. Maybe you have not done so in the past and are seeking to start now. That is called conversion. Make a good examination of conscience and decide if you are willing make this type of commitment. It should be your free decision. Take it seriously. If you believe that you do not want it, don't do it. If you do want it, we will help you along the way.

7. REQUIREMENTS FOR THE SACRAMENT OF MARRIAGE

The priest or deacon will explain each of these:

1. Both parties must be free to marry. The priest or deacon will explain what this means.
 - a. Mature enough, capable, and willing to make a lifelong commitment to marriage
 - b. A mutual commitment to fidelity for life
 - c. A mutual commitment to be open to children
 - d. One man to one woman for the whole of life
 - e. No previous marriages of any kind

8. WHAT IF ?

1. Living together before marriage

a. Living together before marriage is a serious situation and cannot be justified by the fact that so many are doing it for economic reasons. This behavior damages the preparation that God intends for marriage. If you are living together we exhort you to stop, go to confession, return to the Eucharist, and live in chastity until marriage. The priest or deacon will be glad to help you with any questions. Do not be afraid to ask.

2. One (or both of you) has been married before (even if outside of the Church)

a. You CANNOT marry in the Catholic Church if there was a previous marriage UNLESS the Church's Marriage Tribunal has declared that marriage null and void. This is NOT automatic and it cannot be assumed. The tribunal only gives a decree of nullity if it finds reasons. The priest or deacon will explain what this means. The full annulment process normally takes at least one full year to resolve. There is a substantial processing fee to the Archdiocese of Miami Marriage Tribunal

b. No marriage dates can be reserved until previous marriages are determined as null and void.

c. This law applies also to civil marriages.

d. If a baptized Catholic was married in anything other than a Catholic ceremony the prior marriage might be declared null and void based on the following documents: a new copy of baptismal certificate of Catholic party, marriage license and divorce decree. These documents must be brought to the initial meeting with the priest or deacon. There is a \$100 processing fee to the Archdiocese of Miami Marriage Tribunal for the Lack of Form Decree. Please include this in your wedding budget.

3. One of you isn't Catholic

a. If you are marrying a person who is not Catholic, part of your marriage preparation should be to learn what you have in common and what you do not. It is recommended that the couple participate together in the RCIA process even if the non-Catholic party does not intend to receive the Sacraments. Both parties are expected to attend Mass each and every Sunday. This is called an "inter-faith marriage". You will also be asked to discuss the religious education of your children.

4. If you are pregnant

a. Whether expected or not, the life of each person is sacred. Love and care for the child is essential. But pregnancy alone is not a reason for marriage. Wait until after the baby's birth and then discern if you truly are committed to marriage forever with that person. The priest or deacon is ready to help you.

9. NUPTIAL MASS

a. It is expected that when two Catholics are marrying, they do so within a Nuptial Mass.

b. Mass is permitted (but not required) for a mixed marriage (between a Catholic and baptized Non-Catholic). However you are strongly advised against a Nuptial Mass when one of the parties and significant numbers of guests are NOT free to receive Holy Communion.

c. Only Catholics can receive Holy Communion.

d. The priest or deacon will help to guide you.

10. VISITING PRIEST

a. One of the priests or deacons of The Cathedral will oversee your marriage preparation and preside at your wedding. Priests not assigned to The Cathedral are welcome to attend or concelebrate, providing that their necessary documents are in place. The priest who accompanies you along the path of marriage preparation will "do" your wedding.

11. BANNS OF MARRIAGE

We will announce in our bulletin the fact that you are getting married. That, of course, is not an invitation to the wedding.

12. THE MARRIAGE CEREMONY

a. A member of our Wedding Ministry will guide you through the Wedding Ceremony. You will meet directly with that person for all matters pertaining to the CEREMONY/WEDDING.

b. The Marriages celebrated here at The Cathedral will faithfully follow The Order of Celebrating Matrimony without addition or omission.

THE PREPARTION PROCESS

Preparation for the Marriage will take you through several steps. During the preparation period you will meet several times with the priest or deacon and the mentor couple. Sunday Mass EVERY Sunday here at The Cathedral. Marriage Preparation in the Archdiocese of Miami is envisioned as a nine-month process intended to help you prepare, not for a wedding, but a healthy, happy and holy married life.

THERE ARE SOME FORMS TO BE COMPLETED:

1. PRE-NUPTIAL QUESTIONNAIRE (Known as “Form A”)

- a. To be filled out by the priest or deacon for each of you at the initial meeting
- b. Failure to respond truthfully to the questions may lead to cancellation of the wedding or its invalidity.

2. QUESTIONNAIRE FOR WITNESSES OF EACH PARTY (Known as “Form B”)

- a. Two witnesses for him, two for her.
- b. Witnesses (preferably parents or relatives) must know the person well for many years.

3. **IN A MIXED MARRIAGE**, the Catholic party is required to make a written promise to attend to the Catholic upbringing of all children born of the marriage. The non-Catholic is made aware of the Catholic’s responsibility in this matter.

COMPLIANCE WITH CIVIL LAW

1. The couple must secure the CIVIL LICENSE within 45 days of the ceremony and present it prior to the wedding rehearsal. Note: The Church CANNOT perform the marriage without the license at hand.
2. Marriage at Church is valid for civil law. Therefore, the couple should not have a civil wedding. If you are already civilly married, please inform the priest preparing your marriage and bring a new copy of your marriage license to the initial meeting. Your wedding ceremony is then properly called a convalidation.
3. During the marriage ceremony, the two official witnesses and the priest sign the license. The Parish will then return it directly to the Court House.
4. The couple may obtain a copy of this license by providing a stamped self-addressed envelope prior to the rehearsal.

DOCUMENTS FOR INITIAL MEETING:

1. Newly issued copy of Baptismal Certificates
 - a. Please request these from the church of your baptism
2. If you are already civilly married please bring a new copy your marriage license
3. If you were married to another person previously please bring a new copy of the marriage license, the divorce decree and or the Decree of Nullity

God bless you both!

***We will be glad to assist you, but you are responsible to read and follow these regulations. Failure to do so or giving false information may lead to the cancellation of the wedding.**
